Dear members of ASEANSAI,

The very good news has come to me that ASEANSAI is being established in Bali Indonesia. On behalf of the National Audit Office of the People's Republic of China and in my own name, I offer my warmest congratulations on the declaration of the organization of ASEANSAI.

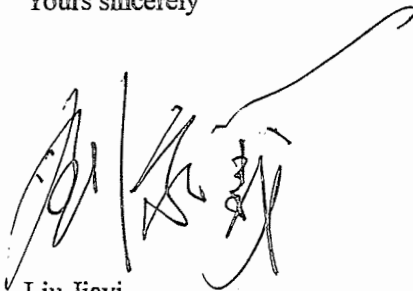

In the past years, SAI China maintained a friendly relationship and conducted effective and mutual beneficial exchanges and cooperation with all SAIs of ASEAN member countries. Globally in the audit field, *mutual experience benefits all* is an important consensus. I firmly believe that the founding of ASEANSAI will further promote sharing of experiences and skills among SAIs and will greatly advance the growth of the audit profession in the ASEAN region and even the entire Asia region.

With the establishment of ASEANSAI, audit will become an important area of cooperation in the China-ASEAN friendly cooperation framework. The National Audit Office of the People's Republic of China attaches great importance to its association with ASEANSAI and is willing to support the growth of ASEANSAI by continuously enhancing its cooperation with SAIs of ASEAN member countries and deepening its cooperation with the organization of ASEANSAI.

I regret that I am not being able to attend this important event in person due to the extremely heavy workload in the office to the end of the year. My representatives are participating in the declaration and assembly of ASEANSAI on my behalf and they bring with them my warm congratulations. I take this opportunity to wish the declaration and first assembly of ASEANSAI a great success and wish ASEANSAI smooth growth and greater achievements.

I look forward to seeing heads of SAIs of the ASEANSAI members on due occasions.

Yours sincerely

Liu Jiayi

Auditor General
